

# PINOCCHIO

WELCOME TO THE THEATRE

FAIRFIELD HALLS

**Pinocchio is a theatre show that will be performed  
in the Concert Hall at Fairfield Halls.**

**East Croydon is the closest train station. There are plenty of busses that stop right out the front, and you can also park or get a taxi if needed.**

**When you arrive at Fairfield Halls you will see some security guards. They may want to look inside your bag.**

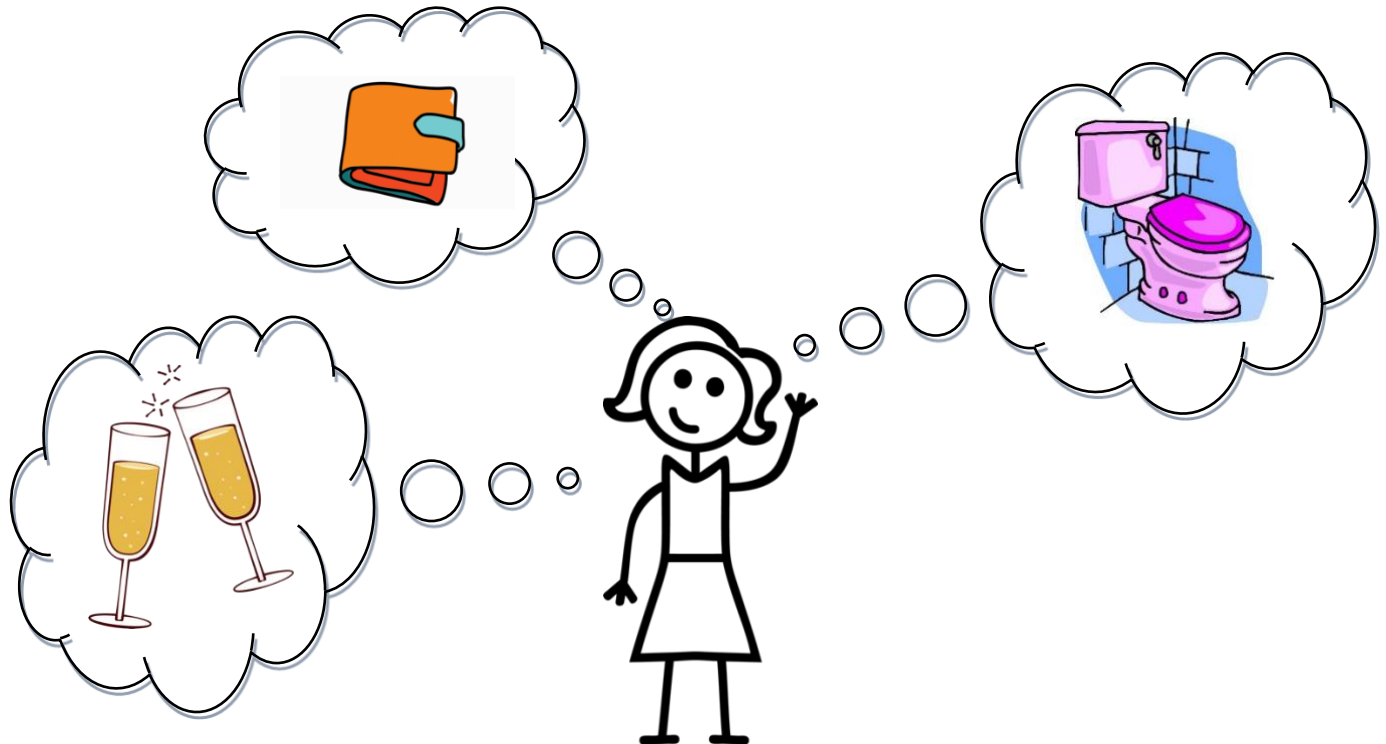

**When you get inside the theatre there will be some friendly staff to help you.**

**There may be lots of other people at Fairfield Halls, all waiting in the foyer for different shows to begin.**

**Before the show starts you might want to buy  
a drink or go to the toilet.**

**The Concert Hall is on the second floor. It is clearly signed and there are also lifts to get there.**

**If you are unsure, there are plenty of friendly staff around who can help you.**

**When the show is about to start, there will be an announcement and someone may want to see your ticket before you go in so you know where to sit.**

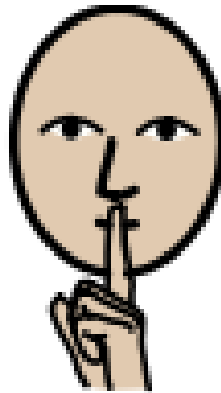

**Don't forget to have a copy of your ticket, which may be on paper or an email.**

**This is what it looks like inside the Concert Hall.**

**When watching a SAVVY show, you can't take photos with a flash and you must turn off your mobile phone!**

**When the show starts the theatre lights will go down. It may get quite dark.**

**If you get worried at all, the friendly theatre staff can help. You might like to go back into the foyer for a while.**

**There will be music and there may be some loud noises. We offer a pre-show sensory tour 15 minutes beforehand, if you are a bit anxious and want to find out more about what is going to happen in the show.**

**At the end of the show, all the actors come out onto the stage and take a bow.**

**It will then be time to go home.**

**You might want to book a taxi or if you are going home in a car, you can get picked up out the front.**

**We hope you have a great time coming to  
the theatre to see our show.**
